Virtual Author Talks

Brought to you in partnership with the Library Speakers Consortium, our Virtual Author Talks series connects you with bestselling authors from the comfort of your home. These live, interactive events give you the chance to hear authors discuss their latest books and even ask them questions in real time. Can't make it to the live session? No problem—each talk is recorded and available to watch later at your convenience.

Explore upcoming events and dive into past recordings on our [website](#).

My Next Move

Mynextmove.org is an excellent free tool for browsing jobs. For each career, it lists the job outlook, salary range, education requirements, where to find local training programs, and open positions in your area. It also has a free online service that will match you to potential careers based on your interests.
