- **Renovation Updates**

### Renovation Update: Demo Has Begun!

While our Main Floor is undergoing renovations, we've opened the Express Library in the Tech Center! We've curated a special, smaller collection of books you can still browse and borrow.

**Please note:** With demolition officially underway, some sections of the library will be off-limits, and we won't be able to fulfill some holds as quickly as we used to. However, as contractors complete work in phases and give us the green light, we'll regain access to those areas and resume pulling items as soon as possible.

In the meantime, we're still offering all our regular services: programs, events, Story Times, technology assistance, and computer and Wi-Fi access.

Want to stay up-to-date on the renovation timeline? Follow us on Facebook and sign up for Library emails on our website!

# PROGRAMMING

## STORY TIMES

Come to Story Time and nurture your child's imagination and knowledge through reading. Early language and literacy skills are incorporated into our Story Times through books, songs, rhymes, and finger plays.

### Mondays

Toddler Time | 10:30am

Recommended for children 18 months – 3 years

Stories and Crafts | 1:00pm

Recommended for children 3 and older

### Wednesdays

Toddler Time | 10:30am

Recommended for children 18 months – 3 years

### Thursdays

Baby Time | 10:30am

Recommended for children newborn – 18 months

Stories and Crafts | 1:00pm

Recommended for children 3 and older

Sorry, no food or drink, but baby bottles are permitted. No reservations needed.

Nov 4, Dec 2

Tuesday | 6:00 – 7:30pm  
Loveland Public Library  
All Ages

## Rocketry Club

We're all about rockets, learning science, and technology, as well as having fun! We are a fully sanctioned chapter of the National Association of Rocketry, Club # 624. Rocketry launch at Hisey Park, 5443 Middletown Rd, Waynesville, OH 45068 on Sunday, 11/9 & 12/7 from 1-4pm.

Nov 6, Dec TBD

Thursday | 6 – 7pm  
Story Time Room  
Ages 18 & up

## Write Club

Meet other writers, share your work, and get and give advice. While this is a club and not a class, you're bound to learn something useful to your craft.

## NEXT CHAPTER BOOK CLUB

Wednesdays | 6:30-7:30pm

Story Time Room

The Next Chapter Book Club is for adults who receive services from the Warren County Board of Developmental Disabilities.

Nov

8

\*

Saturday | 11am – 12pm  
Story Time Room  
Age 6 – 17

## Weekend Workshop: Cozy Craft Cafe

Relax for an hour with hands-on crafts, cozy drinks, and bookish fun. Participants can move at their own pace through a variety of activity stations, including bookmark making, make & take crafts, DIY potpourri pouches, and some hot cocoa or apple cider to sip while you create!

Nov

8

\*

Saturday | 2 – 3pm  
Story Time Room  
Ages 16 & up

## Book Bedazzling!

Bring your favorite book and spend the afternoon learning the latest bookish craft – book bedazzling!

## The ACT Prep Classes \*

Story Time Room | Ages 14-18

Get ready to tackle the ACT with confidence! Join us for a three-part ACT Prep series designed to help students strengthen their skills and feel prepared for test day.

### English & Math

Wednesday, Nov 12 | 3:30 – 5pm

### Reading, Science & Writing

Wednesday, Nov 19 | 3:30 – 5pm

### Full-Length Practice Test

Saturday, Nov 22 | 10am – 1:00pm

Nov

17

\*

Friday | 11 – 12pm  
Story Time Room  
Ages 6 & up

## Homeschool Hangout: Float Your Boat Challenge

Can your boat make it across the ocean like the Pilgrims? Join us for a hands-on STEM adventure where kids become mini engineers! Using simple materials like foil, craft sticks, and straws, you'll design and build your own boat, then test to see how many "passengers" it can carry without sinking.

\* Requires registration through our website

Registration for Dec events begins on Nov 1

**Nov 29** \*  
#1 Saturday | 1 - 2pm  
#2 Saturday | 3 - 4pm  
Story Time Room  
Ages 8 - 14

### **3D Printing for Kids 101**

Join us in the Technology Center and learn the basics of 3D printing! In this entry level class you will learn where 3D printing is being used in real life and how you can use the 3D printers!

**Dec 2** \*  
Tuesday | 5:30 - 7:00pm  
Story Time Room  
Ages 16 & up

### **Punch Needle for Beginners: Snowflake**

Punch needle is a great first step into the world of tufting! In this class, you will learn how to punch needle with yarn and linen to create a snowflake just in time for the holiday season. All supplies are included.

**Dec 9** \*  
Tuesday | 6 - 7:30pm  
Story Time Room  
Ages 12 & up

### **3D Printing: The Basics and Concepts**

Join Ben from the Technology Center and learn how we bring 3D objects to life. In this introductory course you will learn about concepts such as adding supports, infill, material types, as well as why we do what we do in the world of 3D design. In this hands on class you will be given the opportunity to model a basic 3D object which shows off many of the concepts you will learn about.

### **The SAT Prep Classes \***

#### **Story Time Room | Ages 14-18**

Join us for a series of three SAT Prep Classes designed to help students feel confident and prepared for test day. Each session focuses on a different aspect of SAT readiness, and students are welcome to attend any or all sessions as they choose.

#### **Navigating the SAT Website & Practice Questions**

Wednesday, Dec 10 | 3:30 - 5pm

#### **Test-Taking Tips & Strategies**

Wednesday, Dec 17 | 3:30 - 5pm

#### **Full-Length Practice Test**

Saturday, Dec 20 | 10am - 12:00pm

**Dec 13** \*  
#1 Saturday | 1 - 2pm  
#2 Saturday | 3 - 4pm  
Story Time Room  
Ages 8 - 14

### **The Science of Cars**

Join Ben from the Tech Center and learn the science behind cars! Learn what makes an engine run, how electric cars are different from gas-powered ones, how brakes stop us, how airbags protect us, and more! After a short, hands-on science lesson, you'll get to build your own mini electric solar-powered car to take home.

**Dec 16** \*  
Tuesday | 6 - 7pm  
Story Time Room  
Ages 12 & up

### **Create a 3D Printed Lithophane**

Join Ben from the Technology Center and learn how to turn a digital photograph into a beautiful 3D printed lithophane. A lithophane is a piece of 3D printed plastic which illuminates an image from an applied light source. In this course you will learn how to evaluate photos, learn very basic photo editing, and submit your 3D print to be picked up at another time.

### **Upcoming Events**

#### **Emily Henry Movie Release Party**

Thursday, Jan 8 | 5 - 7pm

The movie is almost here... but we aren't hitting play just yet. Instead, come celebrate the upcoming movie adaptation of "People We Meet On Vacation" before it hits Netflix on January 9th, with fun bookish activities including: bedazzle your EH book, create an EH themed bookmark, play EH bingo, and more!

#### **Tracing Military Roots: U.S Records for Beginners**

Tuesday, Jan 13 | 6 - 7:15pm

Join Holly to discover how to uncover the military history of your ancestors in this beginner-friendly class. We'll explore the wide range of U.S. military records and learn how to use them to add depth and detail to your family tree.

#### **3D Printing with AI**

Tuesday, Feb 17 | 6 - 7:15pm

Join Ben from the Tech Center and learn how easy it is to start 3D printing with AI! In this hands-on workshop, you'll discover how to turn 2D images into 3D models, and use simple prompts to generate your own unique creations.

# PROGRAMMING

## Pictures with Santa

Thursday Dec 18 | 5 - 7pm  
Story Time Room  
All Ages

Santa is making a special stop at the Library, and you're invited!

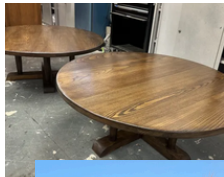

Bring your little ones for a quick visit and take your own digital photos with Santa—no professional photographer, no waiting list, and no pressure. Just smiles, holiday cheer, and a chance to make a memory.

**Please note: These are not professional photos. Families will take their own digital pictures—no prints will be provided.**

No reservations required. This is an all ages event, children must be accompanied by an adult.
